

Dear Business Owner or MVHS Supporter:

The historic town of Buckstop Junction is a project of the Missouri Valley Historical Society (MVHS – a 501c 3 tax-exempt organization), which is dedicated to the preservation of the pioneer era of North Dakota. The town is located just east of the intersection of Main Avenue and Bismarck Expressway in Bismarck and consists of pioneer homes and businesses. This was the vision of MVHS to preserve our North Dakota heritage.

One means of our support is scheduled events such as meetings and weddings at the Lewis Hotel or the Bethel Church. There are no paid employees that work at Buckstop Junction; only very dedicated volunteers.

We need the support of you and your business to help us maintain and continue to develop this town by bringing in available historical buildings and preserving the ones we now have. The costs for foundations, moving buildings and preservation are very high. We need you.

Please consider a pledge to Buckstop Junction in your plans for local giving. We are offering several levels of commitment for your pledge:

<u>Level</u>	<u>Commitment</u>
• Pioneer	\$250 per year for 5 years
• Trailblazer	\$500 per year for 5 years
• Homesteader	\$1,000 per year for 5 years
• Barnraiser	_____ (more than \$1,000) per year for 5 years

In return for your financial support you will receive a plaque showing your annual commitment to Buckstop Junction to display. You will also receive our quarterly membership newsletter. Your business will be listed as a supporter in the newsletter and on our website. We also will provide 10 passes for your employees to enter for any Buckstop Junction sponsored event.

Please start your annual financial commitment today by filling in the form below and join our never-ending, pioneer-town adventure. Thank you for your consideration!

Sincerest Regards,
